A collection of poufs that offers an answer to the need to combine work and leisure in an inseparable combination. An object that transcends its function to become an iconic tool for work, study, sharing and social relations.

Une collection de poufs qui offre une réponse au besoin de combiner les moments de travail et de détente dans une union inséparable. Un objet qui dépasse sa fonction pour devenir un véritable outil iconique de travail, d'étude, de partage et de relations sociales.
