AMARCORD

Design by Luxy R&D

Contorni netti, struttura possente. La seduta Amarcord vuole dare nuovamente voce al passato mentre reinventa il futuro. La forma squadrata è espressione di un'architettura minimalista nelle cui linee si va ad inserire la necessità di oggetti di design semplici e decisi. Adatta a contesti ricercati e innovativi, Amarcord è dotata di accessori che permettono la ricarica di dispositivi mobili tramite USB. La tradizione che incontra la tecnologia.

Sharp contours, powerful images. Amarcord looks to the past to reinvent the future. The squared-off shape expresses an innate minimalism that responds to a need for simple and decisive minimalism. For refined and innovative spaces, Amarcord also allows you to charge USB devices. Tradition, meet technology.
