

The Place for Ideas

CLOP

Design by Il Prisma

Clop è la sedia fuori dagli schemi per il pensiero creativo che punta l'attenzione su una nuova ergonomia che asseconda fluidamente il modo di essere e di fare delle persone che la usano. La sua personalità dinamica si presta anche per i nuovi contesti di coworking e startup.

Clop is the unconventional chair for creative thinking that focuses on new ergonomics that fluidly accommodate the way of being and doing of the people who use it. Its dynamic and "hyperactive" personality makes it suitable for new contexts of coworking and startup.
